

RING SIZE GUIDE

To help you find the perfect fit, use the guide below to check the size of a ring you already own. For greatest accuracy, use a similar style ring and width of band as the one you'd like to purchase.

1 PRINT THIS PDF AT FULL SIZE

Do not allow your printer to adjust to fit the page with the 'scale to fit page' or 'shrink to fit page' options.

2 CHECK PRINT SIZE

The line below should measure 10cm.

3 PLACE THE RING OVER THE CIRCLES

4 MATCH YOUR RING SIZE

Find the circle which completely fills the inside of the ring, without any overlap. Your ring size is the letter shown within the circle. For the most accurate result, move your ring over the circles beginning with the smaller sizes.

PLEASE NOTE: THIS RING SIZE IS A GUIDE ONLY AND IS MOST EFFECTIVE WHEN PRINTED.
